

Mrs. Mullen's Preschool (Little Lambs Preschool)

Week of Dec. 19 – Dec. 22

This week we will do a review from the moment Gabriel first appeared to Mary. We will include the wise men in the story this time. December has flown by for us at Little Lambs. We are sharing the good news to our family and friends. Christmas is almost here!! Jesus' birthday! We are very excited in all three classes!

Our parent gifts are coming home Monday and Tuesday. It sure is fun to watch the children give these gifts to their families. They are so proud.

We have some special Christmas activities planned for Wednesday in both classes and Thursday morning. It will be fun to spend time together working on fun and tasty Christmas projects before our break.

Thank you to the families who donated for Bright Horizons! Our classroom filled two tables with gifts for these families. At this time of year it matters how we show love to others. I couldn't be more proud of the preschool families for this kindness and generosity.

Have a wonderful week walking with Jesus,
and Merry Christmas!
Mrs. Linda Mullen
