

Mrs. Mullen's Preschool (Little Lambs Preschool)

Week of Jan. 17 – Jan. 21

MWF Morning/Afternoon Class

Today we hear about the baptism of Jesus. A friend of Jesus named John had an important job. He would explain to people about how they were sinning, introduce them to the fact that God forgives sins, and then offer to baptize them when they believed! This is an exciting story that includes the first time we learn about the TRIUNE God!!

Tue/Thur Class

In this group we will hear about what life was like when Jesus grew up. What type of things do we still do today? We will learn about where Jesus slept, what he ate, and where did he get water? Times have changed!

We also will work on progressive size discrimination. Big, bigger, biggest.

All of the classes will start to learn about table manners, introductions, and so much more! Manners are never out of style!

We are registering for classes next fall! We are off to a wonderful start!

Have a wonderful week walking with Jesus,
Mrs. Mullen
