

**Mrs. Mullen's Preschool (Little Lambs Preschool)**

**Week of Sept. 19 – Sept. 23**

**Mon. Wed. Fri. Morning and M-F Afternoon Class**

We are on week #2 of Noah's Ark. This has been a very interesting topic. We will continue to learn about evaporation, and do more with our rainbow and water theme.

We learn about self management in our scholastic magazine. Concentration and focus help us do our best. We have a lot of opportunities during our school day to practice these skills.

**Tue. Thur. Morning Class**

The gift of parents is our focus in this class. Parents have a big responsibility raising children. The most important job is leading their child to Jesus.

This class will also learn how to work as part of a family. We will practice household chores so these 3 year olds are able to contribute at home!

Have a wonderful week walking with Jesus,  
Mrs. Linda Mullen
